

The background of the entire image is a dense, vibrant display of decorative lights. The lights are primarily blue and red, with some yellow and white lights interspersed. They are arranged in a way that creates a sense of depth and movement, with some lights appearing to be in the foreground and others receding into the distance. The overall effect is a bright, festive, and visually stimulating scene.

DECORATIVE LIGHTS

BAJAJ Vs LOCAL

BAJAJ LIGHTS

SAFETY & COMPLIANCE:

- Tested to stringent quality and safety standards.
- BIS Compliant

GOOD PRODUCT QUALITY:

- Superior components and strict quality control.
- Consistent brightness and longer-lasting performance

BRAND TRUST:

- Trusted Bajaj brand with proven reliability.
- Peace of mind through consistent quality.

MADE IN INDIA:

- Proudly manufactured in India.
- Supports local industry while catering to Indian consumer

WARRANTY:

- Manufacturer-backed 6 month warranty support.
- Assured replacement and customer service.

LOCAL LIGHTS

SAFETY & COMPLIANCE:

- No safety testing.
- Higher risk of electrical issues and failures.

POOR PRODUCT QUALITY:

- Low Quality.
- Inconsistent performance and low durability.

BRAND TRUST:

- No brand assurance.
- Purchase decisions primarily driven by low price.

CHINESE IMPORTED PRODUCTS:

- Largely imported from China.
- Focus on low-cost manufacturing with varying quality standards

WARRANTY:

- No warranty support.
